## TRAINING AND ACCREDITATION

### FULL COURSE

The full course consists of five modules and requires four days of attendance. The days are usually held consecutively but may be held on separate days or groups of days by special arrangement.

Price per attendee	£2,250	£450 per person per module for five modules Payable to the Training Company
--------------------	--------	--

### CERTIFICATION

At the end of each of the last four modules there is a multichoice-answer test, and attendees are also required to make a five-minute presentation back to their fellow-attendees. Successful scores in all four tests lead to Certification in Dimension Four<sup>®</sup> at the end of the course.

Price per Certificatee	£325	Per person per course. Payable to the Training Company
------------------------	------	--

### ACCREDITATION

To become Accredited, a Certificated person has to have practised the Dimension Four<sup>®</sup> techniques in one or more live programmes or projects, to sit and pass the Isochron Examination and to present their experience at a Viva.

Exam fee per Accreditee	£850	Per person. Payable to Isochron Ltd.
Annual renewal of Accreditation	£250	Per person at the discretion of Isochron. Payable to Isochron Ltd
